Speaker: Nicole Waldeck

Nicole Waldeck is a Policy Analyst with the Office of Management and Budget (OMB), Office of Federal Financial Management (OFFM). In this role, Nicole collaborates to provide government-wide policy on the award, administration, and management of Federal financial assistance. She leads government-wide initiatives to improve Federal financial assistance policies, processes, and systems while engaging with government and non-Federal stakeholders on key issues. Nicole is the OMB lead for the proposed revision to Title 2 of the Code of Federal Regulations and the Performance Workgroup for the Results-Oriented Accountability Cross-Agency Priority Goal for the President's Management Agenda.

Working in both the private and public sectors for over a decade, Nicole is passionate about improving government accountability, efficiency and transparency. Prior to OMB, Nicole worked at the Overseas Private Investment Corporation (OPIC) where she provided oversight of agency programs, performed budget formulation and execution activities, developed complex models, and lead agency initiatives. In the private sector, Nicole collaborated on Six Sigma process improvement projects and multifaceted analytical projects.

Nicole received her Master of Public Policy Degree from the Schar School at George Mason University and her Bachelor of Science Degree in Finance from the University of Central Florida. She is also a certified Project Management Professional (PMP). Nicole lives in Arlington, Virginia with her husband and dog Wrigley.

Results-Oriented Accountability for Grants

Proposed Revisions to the Code of Federal Regulations Title 2 Subtitle A- OMB Guidance for Grants and Agreements

Nicole Waldeck, OMB

Overview

The 2 CFR revision reflects the foundational shift outlined in the President's Management Agenda (PMA) to set the stage for enhanced result-oriented accountability for grants.

This guidance is the beginning of the Administration's pivot towards actions geared to focus on improved stewardship and ensuring that the American people are receiving value for money spent on grant programs.

Session Objectives

1. Learn about the proposed 2CFR revisions
2. Learn how to submit comments for the proposed revisions

Background

Why are we making the revision now?

1. *Guidance itself calls for lookback*
2. *Statutory requirements*
3. *President's Management Agenda initiatives*

How did we choose to which revisions to make?

The scope of the proposed revision was limited to (see preamble):

1. *To support implementation of the President's Management Agenda Results-Oriented Accountability for Grants CAP Goal and other Administration priorities*
2. *To meet statutory requirements and to align with other authoritative source requirements*
3. *To clarify existing requirements*

Title 2 Parts Proposed for Revision

- Part **25**: UNIVERSAL IDENTIFIER AND SYSTEM FOR AWARD MANAGEMENT
- Part **170**: REPORTING SUBAWARD AND EXECUTIVE COMPENSATION INFORMATION
- Part **183** (new section): NEVER CONTRACT WITH THE ENEMY
- Part **200** (Uniform Guidance): UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS

Helpful Information

Proposed Revisions

Support implementation of the President's Management Agenda Results-Oriented Accountability for Grants CAP Goal and other Administration priorities

Some revisions include (see preamble for more details):

- Emphasizing stewardship and results-oriented accountability for grant program results
- Standardization of terminology and implementation of standard data elements
- Making indirect cost rate agreements transparent
- Strengthening merit review by requiring a merit review process for discretionary grants

Proposed Revisions

Meet statutory requirements and align with other authoritative source requirements

Some revisions include (see preamble for more details):

- Aligning 2 CFR to the Federal Acquisition Regulation (FAR) and the 2017 and 2018 National Defense Authorization Acts (NDAA) to raise the micro-purchase threshold from \$3,500 to \$10,000 and the simplified acquisition threshold from \$100,000 to \$250,000
- Aligning 2 CFR with the 2019 NDAA section 889, Prohibition on certain telecommunications and video surveillance services or equipment
- Aligning 2 CFR with the General Accepted Accounting Principles (GAAP), specifically the Government Accounting Statements Board (GASB) statement 68 and 45, related to pension costs and depreciation

Proposed Revisions

Clarifying existing requirements

Some revisions include (see preamble for more details):

- Codifying some frequently asked questions related to the prior release to 2 CFR
- Clarifying the responsibilities of the pass-through entity to address only a subrecipient's audit findings related to their specific subaward
- Clarifying the documentation requirement for using the de minimis indirect cost rate

Summary

1. Major revisions to the guidance in the 3 scope areas:

- Support implementation of the President's Management Agenda Results-Oriented Accountability for Grants CAP Goal and other Administration priorities
- Meet statutory requirements and to align with other authoritative source requirements
- Clarify existing requirements
